

Children's Home Shelter for Family Safety (*formerly Children's Inn*) provides support for women who have experienced emotional, sexual, and/or physical abuse in their relationships.

The women's support groups are open and may be joined by anyone at any time. No pre-registration is required, and there is **no cost** to attend.

Discussion topics include:

- The dynamics of domestic violence
- Crisis issues caused by domestic violence
- The impact of traumatic experiences on daily living
- Safety planning
- Self-esteem
- Healthy relationships

Group meets at Shelter for Family Safety.
