See reverse for more information.

KIEFFER SANITATION has been a good friend to Children's Home Society programs in the Black Hills for many years. With support from friends like you this tournament has raised more than \$160,700 over the past six years.

100% of net proceeds support Children's Home Child Advocacy Center (CAC).

CAC provides expert forensic interviews of children who are alleged victims of sexual and/or physical abuse or who have witnessed violence. Children's Home Society established CAC with the support and involvement of law enforcement agencies, the medical community, United States and SD State Attorneys and court services. In addition to forensic interviews of children, CAC provides family support services and abuse prevention programs. Learn more at chssd.org/cac.
