

RESILIENCE

THE BIOLOGY OF STRESS & THE SCIENCE OF HOPE

Join us for a FREE screening and discussion of the movie RESILIENCE.

RESILIENCE chronicles the birth of a new movement among pediatricians, therapists, educators, and communities who are using cutting-edge brain science to disrupt cycles of violence, addiction, and disease.

"It's a film every educator, health-care provider, and lawmaker should see."

-Pamela Powell

"...an engrossing study of how ACEs can be linked to destructive behavior and medical diseases.."
